The Rossville, Indiana web page is being made available to all Rossville Area Businesses. We, the members of the Rossville Business Association, are asking you to join us on the web page. It is not necessary that you become a member of the Business Association to participate in this opportunity; however, we do ask that you use the above form to present your information. The initial fee for each business is \$35. After the first year, the cost will be \$5.00 per business to maintain your spot on the web page. Please return this form to the Rossville Town Hall along with your check made payable to **Rossville Business Association**. Please contact Pat McIlrath at the Town Hall with any questions. The phone number is (765) 379-2645.

Thank you,

Rossville Business Association
