

LIMITED ENGLISH PROFICIENCY

On August 11, 2000, President William J. Clinton signed an executive order, Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency, to clarify Title VI of the Civil Rights Act of 1964. It has its purpose, to ensure accessibility to programs and services to otherwise eligible persons who are not proficient in the English language.

The Town of Rossville strives to service its population to the best of its ability. To accommodate these individuals, the Town of Rossville will attempt to provide, upon request, services to assist the LEP population including translation of vital documents, interpretation services, and alternative public outreach media. Language cards have been provided on our website for assistance in providing services to limited English proficiency individuals. Progress still needs to be made.
